

## Struktura področij panelov ERC

### Naravoslovje in tehnika

PE1	Mathematics	Matematika
PE2	Fundamental Constituents of Matter	Osnovne sestavine snovi
PE3	Condensed Matter Physics	Fizika kondenzirane snovi
PE4	Physical and Analytical Chemical Sciences	Fizikalna in analizna kemija
PE5	Synthetic Chemistry and Materials	Sintezna kemija in materiali
PE6	Computer Science and Informatics	Računalništvo in informatika
PE7	Systems and Communication Engineering	Sistemsko in komunikacijsko inženirstvo
PE8	Products and Processes Engineering	Produktno in procesno inženirstvo
PE9	Universe Sciences	Znanost o vesolju
PE10	Earth System Science	Znanost o Zemlji
PE11	Materials Engineering	Inženirstvo materialov

### Vede o življenju

LS1	Molecules of Life: Biological Mechanisms, Structures and Functions	Molekule življenja: biološki mehanizmi, strukture in funkcije
LS2	Integrative Biology: from Genes and Genomes to Systems	Integrativna biologija: od genov in genomov do sistemov
LS3	Cellular, Developmental and Regenerative Biology	Celična, razvojna in regenerativna biologija
LS4	Physiology in Health, Disease and Ageing	Fiziologija na področju zdravja, bolezni in staranja
LS5	Neuroscience and Disorders of the Nervous System	Nevroznanost in motnje živčnega sistema
LS6	Immunity, Infection and Immunotherapy	Imunost, infekcija in imunoterapija
LS7	Prevention, Diagnosis and Treatment of Human Diseases	Preprečevanje, diagnosticiranje in zdravljenje človeških bolezni
LS8	Environmental Biology, Ecology and Evolution	Okoljska biologija, ekologija in evolucija
LS9	Biotechnology and Biosystems Engineering	Biotehnologija in biosistemsko inženirstvo

## Družboslovje in humanistika

SH1	Individuals, Markets and Organisations	Posamezniki, trgi in organizacije
SH2	Institutions, Governance and Legal Systems	Institucije, upravljanje in pravni sistemi
SH3	The Social World and Its Diversity	Družba in njena raznolikost
SH4	The Human Mind and Its Complexity	Človeški um in njegova kompleksnost
SH5	Cultures and Cultural Production	Kulture in kulturna produkcija
SH6	The Study of the Human Past	Preučevanje človeške preteklosti
SH7	Human Mobility, Environment, and Space	Človeška mobilnost, okolje in prostor
